Restaurant Videoconferencing System and For:

Method

AMENDMENT

Honorable Assistant Commissioner for Patents Washington, DC 20231

Sir:

In response to the Office Action dated March 9, 2001, a request for a one-month extension of time is made and a check for \$55.00 is enclosed.

Please amend the application as follows:

IN THE CLAIMS

1. (once amended) A restaurant videoconferencing system comprising:

a) a first plurality of booths in at least a first geographic location;

b) a second plurality of booths in at least a second geographic location;

c) each booth in each location equipped with at least one viewing screen and connected via a network providing both videoconferencing between booths in different geographic locations and multi-media access for each booth, wherein each booth has a table and a plurality of seating areas, the plurality of seating areas arranged so that viewing screen is visible from the plurality of seating areas, and the table sized to accommodate serving a meal to a plurality of individuals in the seating areas.
